**Psychology Major Tracking Sheet (Rev. 03/24/19)**
*(For students who enrolled at Duke prior to Summer 2018)*

**AB Requirements**

Eleven (11) courses in **Psychology** (PSY) are required for the major. The major is devised to provide breadth and depth, a small group course in psychology, and familiarity with the quantitative techniques and research methods used in the field.

I. **Breadth:** Psychology 101, at least 2 survey courses that cover major areas of the field, quantitative techniques, and research methods.
   - PSY 101 or AP or IPC credit (per Trinity guidelines; 11 additional courses are required if AP or IPC credit received)
   - Two (2) Survey Courses, as follows:
     - One survey course in either the Biological (B □ 106/107) or Cognitive (C □ 102) area
     - One survey course in either the Abnormal/Health (A □ 105), Developmental (D □ 103), or Social (S □ 104) area

II. **Depth:** See *Courses Listed by Area of Depth*; can include 1 Independent Study (391, 392, 491, 492) or 1 Research Independent Study (393, 394, 493, 494). At least 3 courses in 2 areas where a survey course was completed. At least 1 course beyond the survey level must be in the Biological or Cognitive area and at least 1 course beyond the survey level must be in the Abnormal/Health, Developmental, or Social area.
   - Course #: ______ Title: ____________________________ (Area: □ A □ B □ C □ D □ S)
   - Course #: ______ Title: ____________________________ (Area: □ A □ B □ C □ D □ S)
   - Course #: ______ Title: ____________________________ (Area: □ A □ B □ C □ D □ S)

III. **Instruction in Small Groups:** At least 1 seminar. It is recommended that the seminar be taken in an area where a survey course was completed.
   - Course #: ______ Title: ____________________________ (Area: □ A □ B □ C □ D □ S)

IV. **Quantitative Techniques (take before Research Methods):**
   - PSY 201/201L or any 1 of the following: □ STA 101 □ STA 102 □ STA 104 □ STA 111 □ STA 250 □ MATH 342
   - No more than one introductory-level statistics class may count toward the major.

V. **Research Methods (take after Quantitative Techniques):**
   - PSY 202/202L or □ PSY 302-315 or SOCIO 332: Course #: ______ Title:

VI. **Additional Electives to bring total to 11 courses:** Of the 11 courses required for the major, at least 9 must be taken at Duke; others, if approved, may count toward the 34 credits needed for graduation but will not count toward the major. At most, only 1 Independent Study (391, 392, 491, 492) or Research Independent Study (393, 394, 493, 494) may count toward the depth requirement and only 2 may count toward the major.
   - Course #: ______ Title: ____________________________
   - Course #: ______ Title: ____________________________
   - Additional course if AP or IPC credit was earned for PSY 101: Course #: ______ Title: ____________________________

**BS Additional Requirements**

The BS degree requires completion of all requirements for the AB degree plus additional courses in the quantitative studies (QS) and natural sciences (NS).

VII. **Additional Quantitative Studies (QS):**
   - Any 1 of the following: □ MATH 22 □ MATH 112 □ MATH 122 □ STA 210* □ STA 340*
   - *Psychology 201/201L, the statistics class in psychology, will not enable students to enroll in Statistical Science 210 or 340, and students should review the Statistical Science website for the prerequisites for these classes.

VIII. **Two (2) required NS courses in Psychology:** Can count towards the courses required for the AB degree, or if not used to meet AB requirements, toward the 5 NS elective classes required for the BS degree.
   - Course #: ______ Title: ____________________________
   - Course #: ______ Title: ____________________________

IX. **Natural Sciences (NS) Electives:** 5 elective courses from an approved list (see *Natural Sciences Elective Options*) that meet the following criteria: (a) classes come from at least two external departments and (b) at least 3 of the 5 are at or above the 200 level. Psychology courses that are cross-listed with another department do not count as a second department.
   - Course Departmental Prefix and #: ____________________________ Title: ____________________________

   - Course Departmental Prefix and #: ____________________________ Title: ____________________________
   - Course Departmental Prefix and #: ____________________________ Title: ____________________________
   - Course Departmental Prefix and #: ____________________________ Title: ____________________________
PSY Minor (MIN) Requirements

I. Five (5) courses in Psychology (PSY) including:
   - [ ] PSY 101 or [ ] AP or IPC credit (per Trinity guidelines; 5 additional courses are required if AP or IPC credit received)
   - [ ] Survey course in the Biological (B [ ] PSY 106/107) or Cognitive (C [ ] PSY 102) area
   - [ ] Survey course in the Abnormal/Health (A [ ] PSY 105), Developmental (D [ ] PSY 103), or Social (S [ ] PSY 104) area

II. At least one (1) of the remaining Psychology (PSY) courses must be beyond the survey level (i.e., above 107). If more than one statistics course is completed, only one will count toward the minor.
   - [ ] Course # _____ Title _________________________________
   - [ ] Course # _____ Title _________________________________
   - [ ] If AP credit was earned for PSY 101: Course # _____ Title _________________________________
